

REMARKS

Claims 1-20 were pending. Claims 14-20 were withdrawn from consideration. Claims 1-8 are rejected. Claims 9-13 are objected to as relying upon a rejected base claim.

The applicant does not agree with the examiner that the prior pending claims are not allowable in light of the cited art and may prosecute such rejected claims in one or more continuation applications.

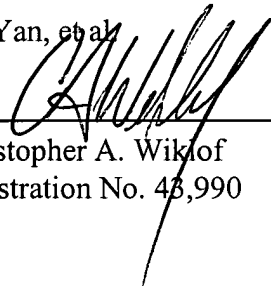

Claim 8 has been amended to incorporate the limitations of dependent claim 11, indicated by the Examiner as containing allowable subject matter. Claim 11 has been canceled. The applicant believes independent claim 8 is now allowable. Claims 9-10 and 12-13 depend from an allowable claim and the applicant believes these are also allowable. Claims 14-20 are canceled.

Applicant believes this amendment and remarks to be fully responsive to the Final Office Action dated November 23, 2005. It is respectfully submitted that the claims are now in condition for issuance. Applicant respectfully requests the Examiner to grant issuance with claims as now amended. The Examiner is invited to call Mr. Chris Wiklof at (425) 882-6641 with any issues that may advance prosecution of the application on the merits. Applicant submits that no new matter is being submitted.

The Commissioner is authorized to charge any fees due by way of this Amendment, or credit any overpayment, to our Deposit Account No. 50-0284.

Respectfully submitted,

Jun Yan, et al
